

2011 MAC-PAC Challenge

Providing Legislative Representation in support of our member companies and our industry overall is a key mission of our association. We continue to successfully accomplish this mission through the efforts of our Legislative Committee leadership and the employment of lobbying firms in North and South Carolina. The cost of this advocacy supporting our livelihood is paid for through the voluntary contributions from you and me!

We need you!

- **Am I eligible to contribute? Yes!** Whether you are in sales or operations, an affiliate or vendor, whether you are a member of a local association of MBAC or not, if you earn an income in the mortgage banking industry in the Carolinas – your participation is vital to provide professional representation in our state legislatures every day.
- **Your contribution is an investment in the future of your industry and ensures that your voice is heard.**
- **How much can I contribute? No contribution is too small or too large.**
- **MAC-PAC contributions are needed early in the year so that the Legislative Committee can budget expenditures for our lobbying efforts and judicial legislative contributions.**
- **Let your voice be heard...because it matters...**
